

DEVELOPERS & PROMOTERS

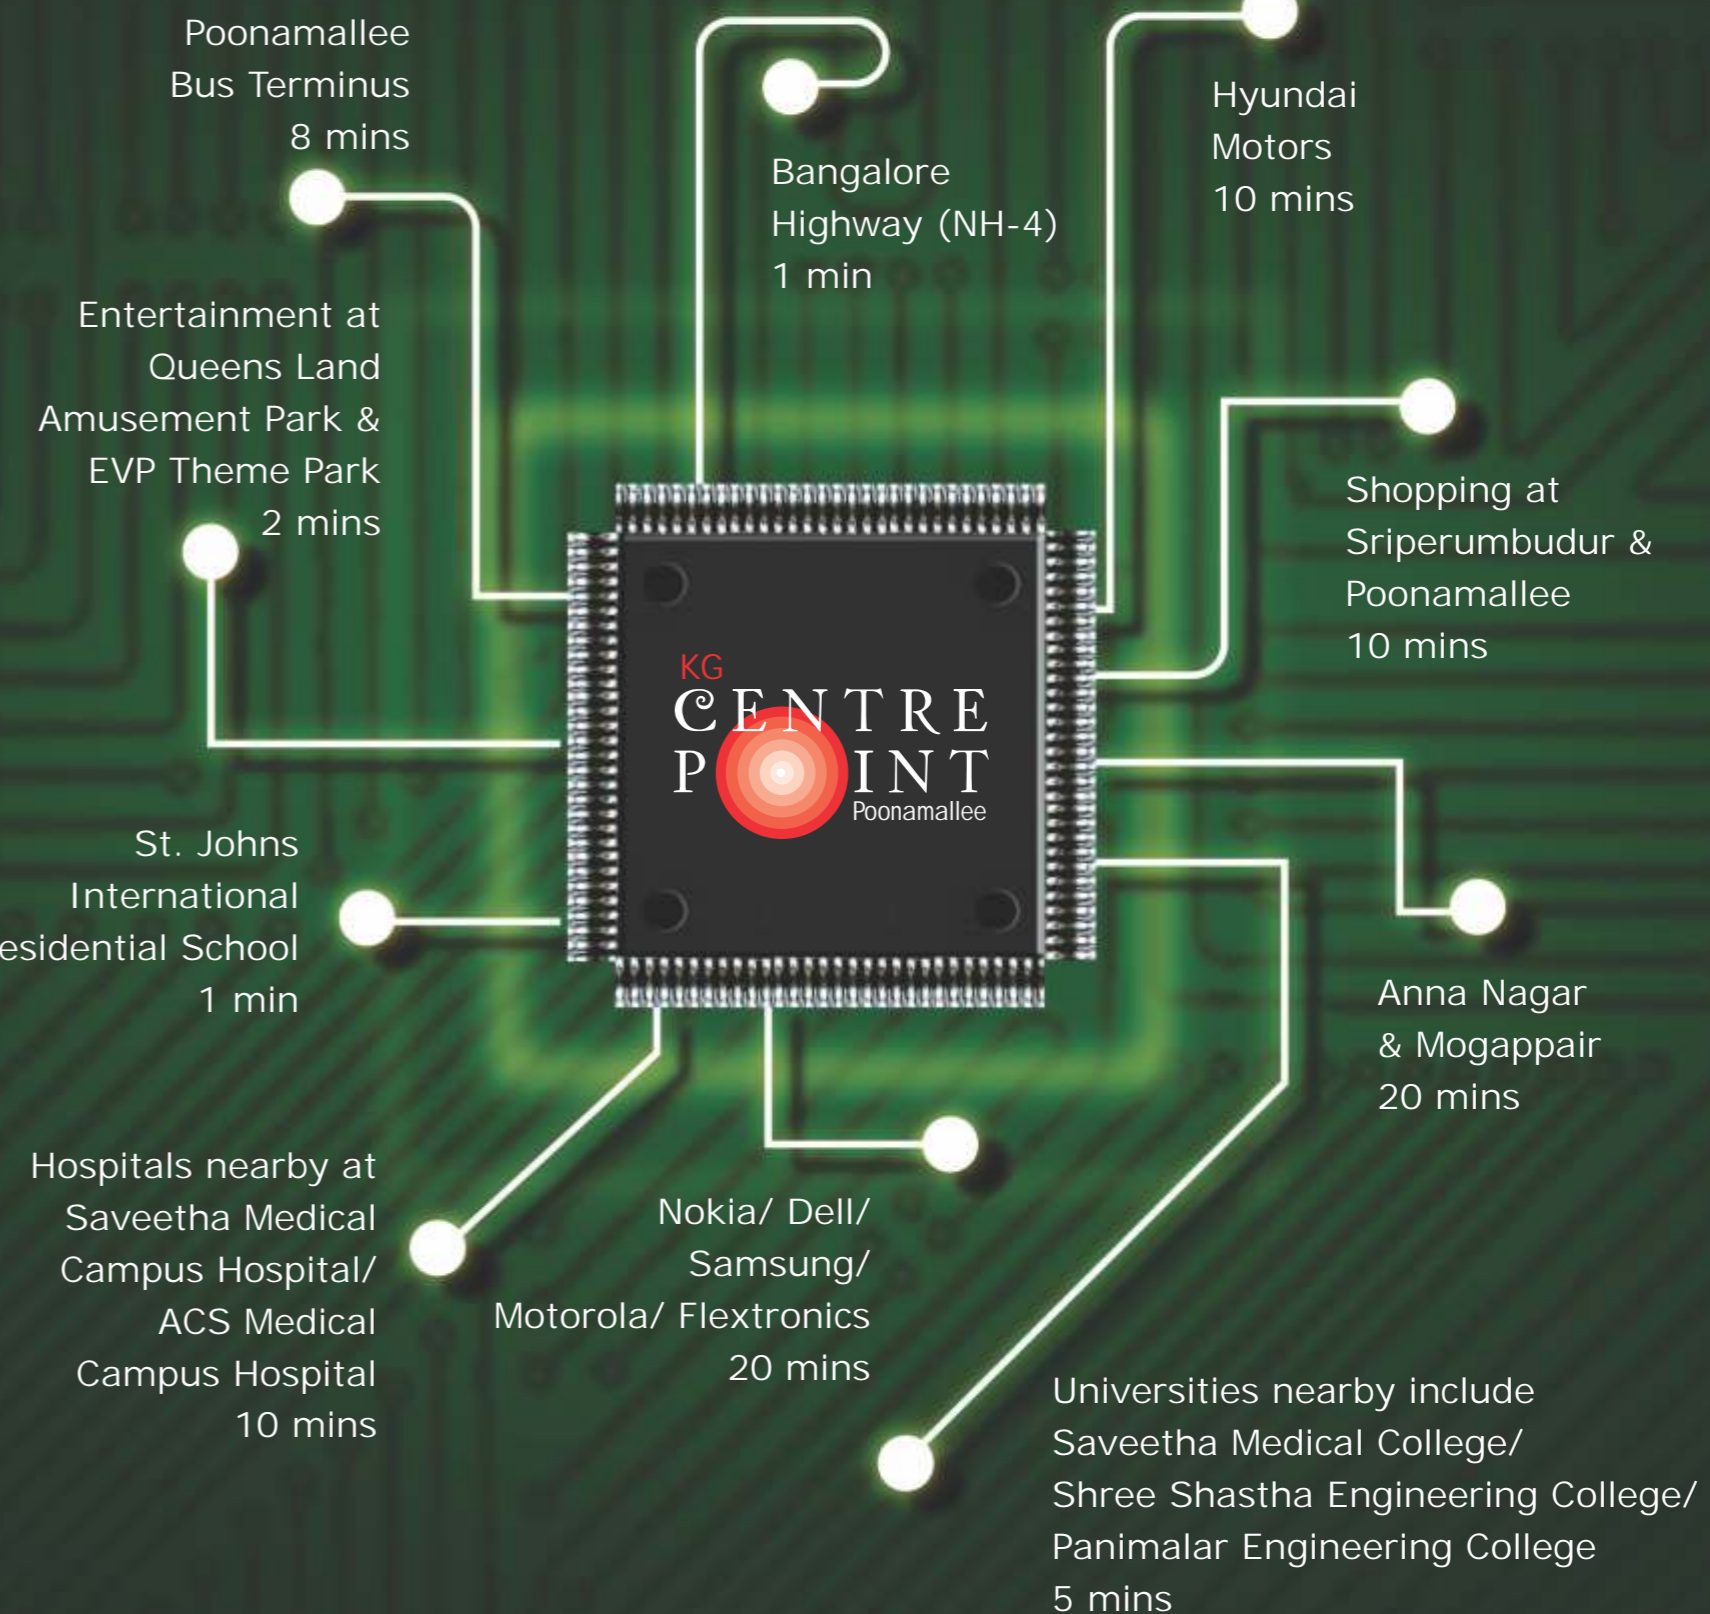

A Perfect Home centred around you!

Centrally Located.
Perfectly Secluded.

Live the Luxury life within 5 minutes radius!

Located in the perfect spot between the urban City and lush greenery; between the traditional parts of North Chennai and the new developments in the West and South; at the confluence of the golden triangle that is, Poonamallee - Sriperumbudur - Oragadam. KG Centre Point offers you easy access to the industrial areas of the golden triangle, the IT hub on GST Road, Oragadam, OMR, ECR as well as the purely residential areas of Porur, Poonamallee and Annanagar. This verdant residential enclave is situated near the Chembarambakkam Lake and surrounded by premium schools, colleges, shopping, entertainment, hospitals and MNC industries. KG Centre Point remains at the centre of all your needs and yet tucked away from the noise and pollution of the highway, truly ensuring you live the luxury life in the centre of the New Chennai!

Presenting

KG CENTRE POINT

POONAMALLEE

Centre of the New Chennai.
Centre of your new life!

The perfect home centered around you!

KG Centre Point's strategic location is just the beginning! The entire project of 7.2 acres consisting of 644 apartments spread across 16 blocks has been designed with you and your family in mind. With over 63% of open and landscaped space, KG Centre Point offers you a host of outdoor activities to relax your mind. And when you want to rejuvenate your body, you can head on over to the super swanky 9000 sq.ft. Club House complete with every lifestyle and recreation facility you need.

Every apartment in KG Centre Point has been architecturally designed keeping aesthetics and modern sensitivities in mind. The apartments are well-ventilated and based on traditional Vaastu tenements. Kitchens, which form the focal point of Indian households, have been conceptualised on the triangular work flow for maximum space utilization and efficiency in movement. Complete bathroom solutions have been provided and the electrical designs are made for maintenance-free output. Every apartment has been dressed in international quality and branded specifications, ensuring you have everything you want in your perfect home.

Sky-high returns on your investment. From the ground up.

According to a Hindu Business Line article dated February 12th 2012, Sunguvarchatram near Sriperumbudur is the site identified for the new Greenfield International Airport because of its proximity to the NH-4. About 5,500 acres of land has been identified and a feasibility report on the Sriperumbudur airport is already with the State Government. The Airport is expected to be completed within four to five years at an estimated cost of Rs. 6,000 Crores. When it becomes operational, the New Greenfield International airport will be capable of handling 5 million passengers annually and give rise to numerous industries in the surrounding areas.

An abode of tranquility and abundance. Just off the fast lane.

The Chembarambakkam Lake, one of the major reservoirs for Chennai city's water supply, is a mere 5 minutes' drive away from KG Centre Point. This majestic water body shines like a blue diamond in all its grandeur, embedded in an ocean of lush greenery. The proximity of it keeps the climate in and around the KG Centre Point cool and ensures the availability of good, potable water at all times.

Live a bright life. Give your children a brighter one.

A school near home is a blessing for families with children. Also, if you have plenty of colleges nearby, what more you want? With the famous St. John's Residential International School located less than 1 minute away from KG Centre Point and a host of other premier institutions like Shree Shastha College, Panimalar College, Saveetha Dental & Medical Universities, ACS Medical College and a few others nearby, you can be assured of your children's future.

Embrace Chennai's tomorrow. Before everyone else!

Sriperumbudur, aptly called India's Detroit, is among the largest automobile manufacturing hubs in South Asia. Now even Oragadam's SIPCOT area along with Sriperambudur industrial corridor (India's Shenzhen) contains a diversity of MNC and foreign industries, including engineering, bio-tech, IT, and electronic units. Besides the SIPCOT zone, industrial units proliferate in other parts of Oragadam, Irungattukottai and Sriperambudur too. More than five lakh people are expected to work in industrial units within this industrial corridor in three years' time. KG Centre Point is strategically located at the axis of this golden triangle that is New Chennai!

KG

- Stylish Club House with all modern recreation facilities

Actual Model Flat View

Earth-friendly green building! State-of-the-art design!

At the very Centre Point of cutting-edge design and environmentally friendly practices, KG Centre Point lets you greet every new day with a leisurely walk amongst verdant landscaping, quiet moments in the meditation hall or some brisk jogging – all of this, knowing that your lifestyle works in tune with mother nature! Designed to meet Green Building norms, KG Centre Point is a 100% rainwater harvested project with built-in green features like a water treatment plant, water-efficient landscaping and much more.

Minimum heat! Maximum daylight!

KG Centre Point manages to maintain the perfect balance between the healing power of the sun and comfortable cool interiors. Designed to allow maximum daylight to enter every living space, thereby saving precious energy on lighting, KG Centre Point still manages to keep the indoors cool and pleasant. With no highrise buildings around, and the Chembarambakkam lake just a few kilometres away, KG Centre Point utilizes wide open spaces, lush greenery, heat resistant glass and loads of ventilation to ensure that though the outer temperature is high every home stays well ventilated and optimally cool.

Stay tucked away from the world. Still remain connected to it.

Excellent road connectivity is available from NH-4 with access points to North and South Chennai. The Tamil Nadu government is also building the Rs. 300 crores Oragadam Industrial Corridor Road to further increase industrial activity in the Oragadam-Sriperumbudur cluster. It will also provide additional connectivity between GST Road (NH 45) and Grand Western Trunk Road (NH-4). The Outer Ring Road (ORR) that intersects NH-4 also aims to further increase the road network through NH-45, NH-205 and NH-5. And a proposal is in place for a rail link from Avadi to Guduvanchery. With this, the two hubs of Oragadam and Sriperumbudur will be linked to two major lines – the Chennai- Jolarpettai-Katpadi line and the Chennai-Gudur line – that connect to other parts of the country.

Luxury Modern Amenities! Inspired by ancient tradition!

Vaasthu Shastra is an ancient Indian science of architecture dealing with the construction of living and commercial spaces. The word 'Vaastu' originated from the Sanskrit word 'Vaastoshpati'. It is believed to render happiness, protection and prosperity in this life and hereafter by combining the five elements of earth, fire, water, air and space. At KG Centre Point, the positive aura of the plot has been enhanced by making the layout of each block Vaastu compliant. In addition, each apartment has been provided with best Vaastu energized positions for kitchen, master bedrooms and main entrance-ways.
